Directions

- 3) Continue alternating top and side strips dark, then light.  
See the last page for the strip sizes.

Check block measurement  
8.5" x 8.5" at this step

Check block measurement  
10.5" x 10.5" at this step

Measures 12.5" x 12.5"

- 4) TIP - Press after EACH strip for the smoothest block. I put a block measurement below the units so you can check your block size as you go. If seam allowance isn't accurate your block will come out wrong. So it's easy to check in between.
