## oh My Stars!

### Grandma's Kitchen Challenge

Hosted by Pat Sloan At [llovetomakequilts.com](http://llovetomakequilts.com)

What was one of your grandma's favorite sayings? Was it said to move you along? When something went wrong? When maybe she forgot dinner was in the oven because you were having so much fun visiting? "oh my STARS!" was a nice way to say 'oh crap!'

Both of my grandma's worked in offices. And Na-Na had more sayings than Granny did.. she also talked a lot more..

**SQUARE Block to 12.5" x 12.5"**

Finished in the quilt is Size 12"

wonder where I got my Chatty Cathy personality from? Well it wasn't Granny!

I think if 'Oh Snap' had been said 'back in the day' my Na-Na would have said it!

She was a very sweet lady, very generous and giving. And she was a working woman.

She worked as a telephone operator then trained new operators. As I went out into the workforce she would share 'office stories' with me and I bet anything 'Oh Snap' would have been one of her favorite sayings.

What do you remember you grandma saying? Do you say it too?

My Grandma's Kitchen challenge runs - June 28, 2017 to Nov 22, 2017.

We will be making a quilt with 25 blocks... and Somewhere along this journey I'll give you a setting.

Enter your email to get the notice of each new block, and join my online group to can share with everyone!
