

Hi my friend!

For the end of June, July, and into August I have a modified schedule.

You can watch this video about why <https://youtu.be/uWumB1eqMEo>

Besides having less videos I am also making them shorter as I only have a few days to film them before I leave.

My videos will still release at 7:15 am ET with a Live Chat at 7:00am ET

My video channel is <https://www.youtube.com/user/PatSloan>

When I'm out of town I will NOT be on the live chat but my friends who help me will be there

June

- Videos on 17, 18, 19, 24, & 25
- NO VIDEO - 26 is cancelled so I have time to film for July

July

- Videos ONLY on Wednesdays
 - 2, 9, 16, 23, 30

August

- Videos ONLY on Wednesdays
 - 6, 13, 20, 27

Thank you everyone for understanding and working with me during this time.
